I received this text from Pastor Ruth's son

Good morning Sister Dawn! I am reaching out to you as we are on our way driving across the US toward DC.

Brother Mike called us last night asking for a copy of the latest interview we did with him.

Initially, I planned to send the file online, however, due to the Government restricting the data, I informed Brother Mike that it would take too long to send as we were leaving this morning around 5AM.

My mom Pastor Ruth had already mentioned that she felt led to stop by & visit the factory of MyPillow to pray even for 10-15 minutes.

Brother Mike said it would be fine to stop by & that he would like for us to pray over all 3 buildings. I informed him I had your contact info & he said to communicate with you.

Could you kindly please send the address where we are to go for the first building?

We are on our way & our current projection is to arrive in Chaska around 9:30AM tomorrow driving straight with no stops; however, because of restroom/fuel/eating stops, we will most likely arrive around 1-4PM (maybe earlier)...depending on how often we stop. Originally we told Brother Mike that in our calculation, we would probably arrive around 3-4PM tomorrow, Jan. 14.

We will keep you updated as time progresses. We look forward to meeting you & the rest of the wonderful MyPillow Staff. May God bless you! P. Timothy on behalf of my mom Pastor Ruth

Hi Dawn

Per our discussion I wanted to connect you with CJ Pearson. He's a young conservative activist at the University of Alabama. He recently created a GoFundMe to provide resources to shelters in Texas that have been recently been under great strain due to the recent natural disaster that struck the state. It raised more than \$30,000 and he would like to use the money to provide MyPillow blankets and pillows to these shelters and wanted to coordinate logistics with you my pillow.

Derek

This is from Derek Utley. Are we able to give his friend a deal on pillows, etc?
